Devon Dikeou and Cortney Lane Stell in Conversation

Dikeou Collection, 1615 California Street, #515

Update, March 11, 2020: *This event has been postponed.*

To digest thirty years of work you need an artist's backstory, and that's what you'll get when artist/gallerist/collector Devon Dikeou sits down with curator Cortney Lane Stell to discuss how her comprehensive exhibition *Mid-Career Smear* conceptually dissects her own life story.
